DIPLOMA IN FLEET MANAGEMENT	83748	LEVEL 6	375

DESCRIPTION

The Diploma in Fleet Management provides a consolidation of broad knowledge, skill and values needed in fleet management and associated fields e.g. transport and logistics.

The programme will:-

- Facilitate access to, and mobility within fleet administration. It is a valuable programme for those practitioners in fleet operations that have worked in the industry for many years but who have not obtained any formal qualification.
- Assist students to obtain a formal recognised qualification and to articulate to other related learning programmes on the NQF.
- Capacitate students to develop the required expertise to effect changes in the work environment that will benefit the employer directly and the country indirectly.

This programme is endorsed by the South African Vehicle Renting and Leasing Association (SAVRALA)

ARTICULATION

Recognition of Prior Learning (RPL) processes and Credit Accumulation and Transfer (CAT) are articulation mechanisms. The institution reserves the right to conduct a formal assessment for purposes of CAT. An evaluation will be conducted to recognise prior learning. This evaluation may or may not be based on a form of formal assessment and can include a portfolio of evidence submission. These mechanisms are in line with the HEQSF as envisaged in the NQF Act 67 of 2008 and the CHE "Policies on the Recognition of Prior Learning, Credit Accumulation and Transfer, and Assessment in Higher Education" published by the CHE in August 2016.

The final approval for applications in respects of CAT and RPL, is subject to academic vetting in terms of applicable legislation and institutional policies.

Enquire at your nearest Lyceum Branch Office for more information regarding the awarding of subject credits (Credit Accumulation and Transfer - CAT) towards Lyceum Qualifications.

LEARNER MATERIAL

Study material are largely supplied in digital format only. Printed copies can be ordered at the prescribed tariffs. Prescribed textbooks are excluded and must be procured by the student. (Terms and Conditions apply)

The College has a small number of prescribed textbooks. Should you experience undue problems to acquire your textbooks, you may enquire at the College.

PRICING

Enquire at your nearest Lyceum Branch Office or at the Main Campus for a current programme pricelist.

ADDITIONAL COSTS (Examinations)

- You have two **examination opportunities** within your contract period.
- **No examination fees** are applicable for the **first time** you write any subject within your contract period.
- Examination fees are payable if you write any subject **for the second time**, i.e. if you have failed your first attempt within the contract period.
- Students who enrol for any study year have two examination opportunities. Students can select to write any number of subjects during the first or second examination opportunity. **If you elect to write the exam during the first opportunity** and fail, you may re-write (as a supplementary) at the second opportunity upon payment of the prescribed supplementary examination fee. **If you elect to write the examination at the second opportunity** but fail, you may write the examination during the first chance of the next cycle ONLY, upon payment of the supplementary examination fee. If you again fail, having exhausted the above opportunities, you MUST re-register for the subject before a further examination may be attempted.

ASSESSMENT

Assessments consist of **one assignment (formative assessment)** and **a final examination (summative assessment) for each subject**. If you fail to submit the compulsory assignment in time you can request permission to submit a penalty assignment at a penalty fee. If you did not submit an assignment you cannot register for

examinations. Make sure you submit the compulsory assignment within the prescribed time because it does not cost you anything.

Your final mark for each subject will be calculated as follows:-

- Assignment contributes 20% towards the final mark
- Examination contributes 80% towards the final mark

A student who submitted an assignment for a specific subject, and fails that subject, does not have to re-submit a further assignment prior to writing the "supplementary" examination. The assignment mark is automatically carried over. However, if the assignment mark is low, and the student wishes to re-do the assignment, he/ she may apply to the examinations section for a copy of the new assignment (at the prescribed fee) and may then re-submit the assignment on or before the new due date.

CERTIFICATION

Upon successful completion of your programme, you will receive a certificate depicting: - Diploma in Fleet Management and an academic transcript. These documents will be issued at the annual graduation ceremony, couriered to the nearest branch or posted to you, provided that your account is in order.

It is the learner's responsibility to ensure they meet all the programme requirements before a qualification can be issued.

FURTHER STUDIES

Please enquire at Lyceum or visit our webpage for more information. You may also elect to discuss this issue with the Lyceum Academic Team or your Student Advisor.
