PROGRAMME TITLE	SAQA ID	NQF	CREDITS
HIGHER CERTIFICATE IN SUPPLY CHAIN MANAGEMENT	100815	LEVEL 5	120

## DESCRIPTION

Learners will acquire a range of competencies related to purchasing and stores management as well as a range of related skills. The main purpose of this programme is to provide learners with vocational knowledge, skills and competencies appropriate to procurement and stores management environment.

The programme is aimed at those learners in a business environment who have a preference to work within the purchasing and stores sector. It is structured in such a way that it exposes learners to a broad set of core competencies. The programme will be of benefit to learners who want to enter the job market, or have been working, but have limited procurement and stores experience. The programme aims to impart knowledge of management, together with the ability to deal with the practical demands placed on practitioners in the purchasing and stores environment.

Successful candidates will be able to progress to other Lyceum Programmes on NQF level 6 and 7.

## CAREER FIELDS

Learners could pursue a career as a:

- *Stock and Stores Control Officer*
- *Stores Manager*
- *Production Manager*
- *Buyer – Procurement Officer*

### PROGRESSION

### TYPE OF PROGRAMME

- Part Time
- This is a higher education programme accredited by the Council on Higher Education (CHE) and registered with the Department of Higher Education and Training (DHET).
- It is also registered at SAQA

### DURATION

Minimum – 1 year of study (part-time)  
Maximum – 3 years of study (part-time)

### ADMISSION REQUIREMENTS

The minimum entry requirement is a National Senior Certificate or equivalent.  
For full details on minimum requirements, contact the College.

### ARTICULATION

Recognition of Prior Learning (RPL) processes and Credit Accumulation and Transfer (CAT) are articulation mechanisms. The institution reserves the right to conduct a formal assessment for purposes of CAT. An evaluation will be conducted to recognise prior learning. This evaluation may or may not be based on a form of formal assessment and can include a portfolio of evidence submission. These mechanisms are in line with the HEQSF as envisaged in the NQF Act 67 of 2008 and the CHE "Policies on the Recognition of Prior Learning, Credit Accumulation and Transfer, and Assessment in Higher Education" published by the CHE in August 2016.

The final approval for applications in respects of CAT and RPL, is subject to academic vetting in terms of applicable legislation and institutional policies.

Enquire at your nearest Lyceum Sales Office for more information regarding the awarding of subject credits (Credit Accumulation and Transfer - CAT) towards Lyceum Qualifications.

### LEARNER MATERIAL

Study material are largely supplied in digital format only. Printed copies can be ordered at the prescribed tariffs. Prescribed textbooks are excluded and must be procured by the student. (Terms and Conditions apply)

The College has a small number of prescribed textbooks. Should you experience undue problems to acquire your textbooks, you may enquire at the College.

## PRICING

Enquire at your nearest Lyceum Branch Office or at the Main Campus for a current programme pricelist.

## ADDITIONAL COSTS (Examinations)

- You have two **examination opportunities** within your contract period.
- No examination fees** are applicable for the **first time** you write any subject within your contract period.
- Examination fees are payable if you write any subject **for the second time**, i.e. if you have failed your first attempt within the contract period.
- Students who enrol for any study year have two examination opportunities. Students can select to write any number of subjects during the first or second examination opportunity. **If you elect to write the exam during the first opportunity** and fail, you may re-write (as a supplementary) at the second opportunity upon payment of the prescribed supplementary examination fee. **If you elect to write the examination at the second opportunity** but fail, you may write the examination during the first chance of the next cycle **ONLY**, upon payment of the supplementary examination fee. If you again fail, having exhausted the above opportunities, you **MUST** re-register for the subject before a further examination may be attempted.

## ASSESSMENT

Assessments consist of **one assignment (formative assessment) and a final examination (summative assessment) for each subject**. If you fail to submit the compulsory assignment in time you may request permission to submit a penalty assignment at a penalty fee. If you fail to submit an assignment you cannot register for examinations. Make sure you submit the compulsory assignment within the prescribed time because it does not cost you anything.

Your final mark for each subject will be calculated as follows:-

- Assignment contributes 20% towards the final mark
- Examination contributes 80% towards the final mark

A student who submitted an assignment for a specific subject, and fails that subject, does not have to re-submit a further assignment prior to writing the "supplementary" examination. The assignment mark is automatically carried over. However, if the assignment mark is low, and the student wishes to re-do the assignment, he/ she may apply to the examinations section for a copy of the new assignment (at the prescribed fee) and may then re-submit the assignment on or before the new due date.

## CERTIFICATION

Upon successful completion of your programme, you will receive a certificate depicting: - Higher Certificate in Supply Chain Management and an academic transcript. These documents will be issued at the annual graduation ceremony, couriered to the nearest branch or posted to you, provided that your account is in order.

It is the learner's responsibility to ensure they meet all the programme requirements before a qualification can be issued.

## FURTHER STUDIES
